

Estimator

Alberta Glass is the industry leader in commercial glazing and aluminum in Alberta. We require a full time experienced Estimator for our office in Calgary.

Based in Calgary with satellite operations in Edmonton we are presented with a multitude of opportunities for continued growth both within and outside of Alberta.

Our reputation is built on providing quality custom work on time. We run a full service department and up to a dozen job sites. We perform contract work small and large and pride ourselves on doing it right!

Our strengths are in skylights, unitized & stick built curtain walls, heavy glass walls, doors, windows and specialty glazing jobs.

But it's our people that make this a great place to work. We think long term and many of our key people have worked their way up through the trade with us.

We are seeking motivated people to join us.

Successful candidate will possess excellent organizational skills, strong communication skills & ability to prioritize & meet deadlines.

DUTIES INCLUDE...

- Project Organization & Planning
- Cost Tracking
- Shop Drawing Review
- Materials Procurement
- Liaison With General Contractors
